

# Merrimack Roundtable Presentation Special Education Transportation

May 5, 2014

# DESE Funded Initiative 2013-2014

- Continued DESE support of the State Special Education Taskforce
- October 1 DESE SIMS data available
- Ridership data requested for programs receiving students from 10+ school districts

# Website Developed

- A website was developed in FY2012 to show the October 1 DESE SIMS Data and ridership data for identified programs

[www.spedtransavings.org](http://www.spedtransavings.org)

- Districts can see if sharing with another district or if potential to share exists

# How Can This Website Help You

- Provides another resource when setting up transportation services
- Can expedite placement
- Homeless transportation
- Cost savings to your district
- Helpful documents and presentations

## DIRECTIONS

### DESE OCTOBER 1 FY14 DATA

[Click here for list of schools with Ridership information available](#)

- Under Special Education Transportation Inquiry below - use drop down for "Choose District"
- Select "All Districts" this will show you all special education programs in the State (option to choose your district will show you only programs you send students to)
- Select the program you want to view. **Data is for FY2014.**
- Two viewing options: "Oct 1 DESE Data" or "Ridership"
- "Oct 1 DESE Data" - State report for current fiscal year
- "Ridership" actual ridership, if available. Vehicle Type: V = 8-12 passenger van, M = Minivan, S = Sedan, B = Yellow School Bus, W = Wheelchair
- Data can be exported to an Excel spreadsheet
- Click this link: [Massachusetts County Map with Program Information](#) to obtain geographic and contact information from DESE
  - Click on county, town
  - Public, Private and Collaborative schools/program listed
  - Select program/school for contact information
