Transportation
Administrator

The Andover Public Schools seeks an experienced and creative Transportation Administrator to coordinate bus routes for over 6000 students attending 10 public schools and 3 private schools located within 32 square miles. The successful candidate will be well-versed in Versatrans or similar routing software, be responsive to community expectations regarding bus transportation, be responsible for school department transportation bids, develop and monitor the school department's transportation budget and supervise and train all related personnel such as crossing guards.

This position requires significant relevant experience as a transportation manager and a demonstrable record of success in a school system of similar size. Excellent communication skills and the ability to tactfully respond to the concerns of parents. Competency with routing software such as Versatrans is essential. Salary: \$100,000-\$110,000 commensurate with experience.
